Window Transaction Survey

PO Name: FISHERS LANDING

ZIP+4:

13641 - 9998

Completed By:

NADINE IKEMBLAY

Survey Period:

03/05/2011

through

03/18/2017

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. Use hash marks (///) for daily entries in the columns. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

POSTAL CUSTOMER
FISHERS LANDING POST OFFICE
FISHERS LANDING, NY 13641

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Fishers Landing Post Office retired on 05/02/2008. The Office is being studied for possible closing or consolidation for the following reasons: This office is small level 11 with no delivery. Decreasing customer base and decreasing revenue. Management initiated study to determine if regular and effective service can be provided through other means.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by independent post office emanating from the Clayton Post Office.

Retail services are also available at the Clayton Post Office, located 5.0 miles away. Hours of service at this office are 09:00 to 12:00 and 13:00 to 16:30, Monday through Friday, and 09:00 to 12:00 on Saturday. Post Office box service is available at this location at increased fees.

I invite you to think about a possible change to independent post office. Please return the enclosed questionnaire by 04/29/2011 using the pre-addressed envelope provided or at the community meeting.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Fishers Landing Post Office Lobby (Open House format-arrive anytime during posted timeframe) on Friday, April 29, 2011 from 8:00 a.m. to 12:00 p.m. to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call Nadine Tremblay at (518) 452-4085.

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey Sands".

SUMMARY OF POST OFFICE CHANGE REGULATIONS

Certain regulations based on federal law apply when postal managers propose to replace a post office with an alternate form of postal service. These regulations are designed to ensure that the reasons for proposing such changes in postal service are fully disclosed at a stage when customers can make helpful contributions toward a final decision. The full text of the statutory regulations appears in Title 39, United States Code, Section 404(b), while the implementing regulations appear in Title 39, Code of Federal Regulations, Part 241.3.

An initial investigation and any subsequent formal proposal to discontinue a post office originate with postal field managers responsible for post offices in that area. The proposal must explain the services recommended as substitutes and the rationale that supports this recommendation. The written proposal is prominently posted for 60 days at affected post offices, along with an "Invitation for Comments," which formally invites customer comments. At the end of the 60-day comment period, additional review is made at lower and upper levels of postal management.

When a final decision is made at Postal Headquarters in Washington, DC, that decision is posted in affected post offices for 30 days, during which customers may appeal the decision to the Postal Regulatory Commission in Washington, DC. The Postal Regulatory Commission has 120 days to consider and decide an appeal. Even without an appeal, no post office may be closed sooner than 60 days after the public posting of the final decision.
